So Derek Zoolander has accepted there's not more to life than being really, really ridiculously good-looking – and he's back in the modelling game with old frenemy Hansel (so hot right now) by his side.

strutted the runway at Paris Fashion Week during Valentino's show, signalling that a long-awaited sequel is in the works.

Derek also pulled out the Blue Steel before a pouty selfie with *US Vogue* editor Anna Wintour. No sign of Magnum, though... ■

# KIM'S IMAGE CRISIS

**Kanye told to back off as trashy outfits make her a laughing stock**

**S**ince she started dating Kanye West, Kim Kardashian has undergone a drastic image overhaul. With the rapper's guidance, the 34-year-old ditched her velour tracksuits in favour of chic designer frocks and sleek, simple ensembles.

But lately, Kanye's attempts to make his wife's style more edgy to fit in with the fashion elite have resulted in some questionable choices – and seen her branded "trashy" by fans. After debuting her dramatic platinum blonde 'do at Paris Fashion Week, Kim's been stepping out in lots of mesh, skin-tight outfits and showing off more cleavage than ever – and the negative reaction has left her embarrassed.

One fan said, "It obviously takes a lot of money to look that cheap" while another added, "Gross outfits. Hideous hair." Another fan slated the mesh two-piece she wore to the Balenciaga show, calling it a "fashion flop".

Another commented on how Kim is merely a style "puppet" for Kanye, writing, "I bet he stands over her and chooses everything she wears. She is no longer herself. Sad she has lost her own being."

An insider tells Star, "Kanye completely restyled Kim when they got together, but she's worried he's gone too far.

"He might be pleased with her new look, but Kim isn't happy. She's told him she wants to tone down her outfits."

Kanye, 37, threw out his wife's clothes when they first started dating in an attempt to update her look.

She explained, "I said to Kanye, 'Well I'm going to save them for my daughter one day.' And he said, 'Well, if it's going to be our daughter, she's never going to wear those!'

"He probably thought they were a bit cheesy. I'd never spent time in London or Paris or seen what style was like around the world, so he wanted to bring in stylists to update my look."

And while Kim admits Madonna inspired her new blonde hair, she also credits Kanye for encouraging her to take the plunge.

The source continues, "Kim usually trusts Kanye and happily takes his advice, but the harsh comments she's received have been embarrassing.

"She wants to be taken seriously in the fashion world – not be a laughing stock." ■

# KANYE'S HOLLYWOOD TAKEOVER!

**He plans to make his mark in another industry**

**N**ot satisfied with dominating the music and fashion worlds, Kanye now wants to conquer Hollywood! The rapper is teaming up with his producer pal Damon Dash to make movies – and even has plans to star in them, too.

Damon says of their future projects, "Hopefully, Kanye will want to get creative and jump in as an actor or director or anything he wants. There's an expectation when Kanye and I do something. It has to be different, it has to be authentic."

A source tells Star, "Kanye sees himself as an all-round artist now. He's never satisfied unless he is taking on another project. After successfully branching out into fashion, he feels the next progression should be movies. He thinks he could bring something completely unique."

His *Entourage* cameo

The rapper is teaming up with producer pal Damon Dash

Kanye has already made several cameos in TV and film over the years, including *Entourage* in 2007 and *The Love Guru* in 2008. And his move onto the big screen already has the support of Hollywood heavyweight Harvey Weinstein.

The producer says, "I'm excited, he'll be great. I've known Kanye a long time – he's going to be a great filmmaker."

And given his wife Kim's attempts to break into acting, there's a good chance she'll appear in any movie that Kanye heads up. She made a brief

appearance as herself in TV comedy *2 Broke Girls* last year and also starred in Tyler Perry's film *Temptation: Confessions Of A Marriage Counselor* in 2013.

However, critics dubbed her performance "awful" and she was awarded the Razzies' Worst Supporting Actress for it...

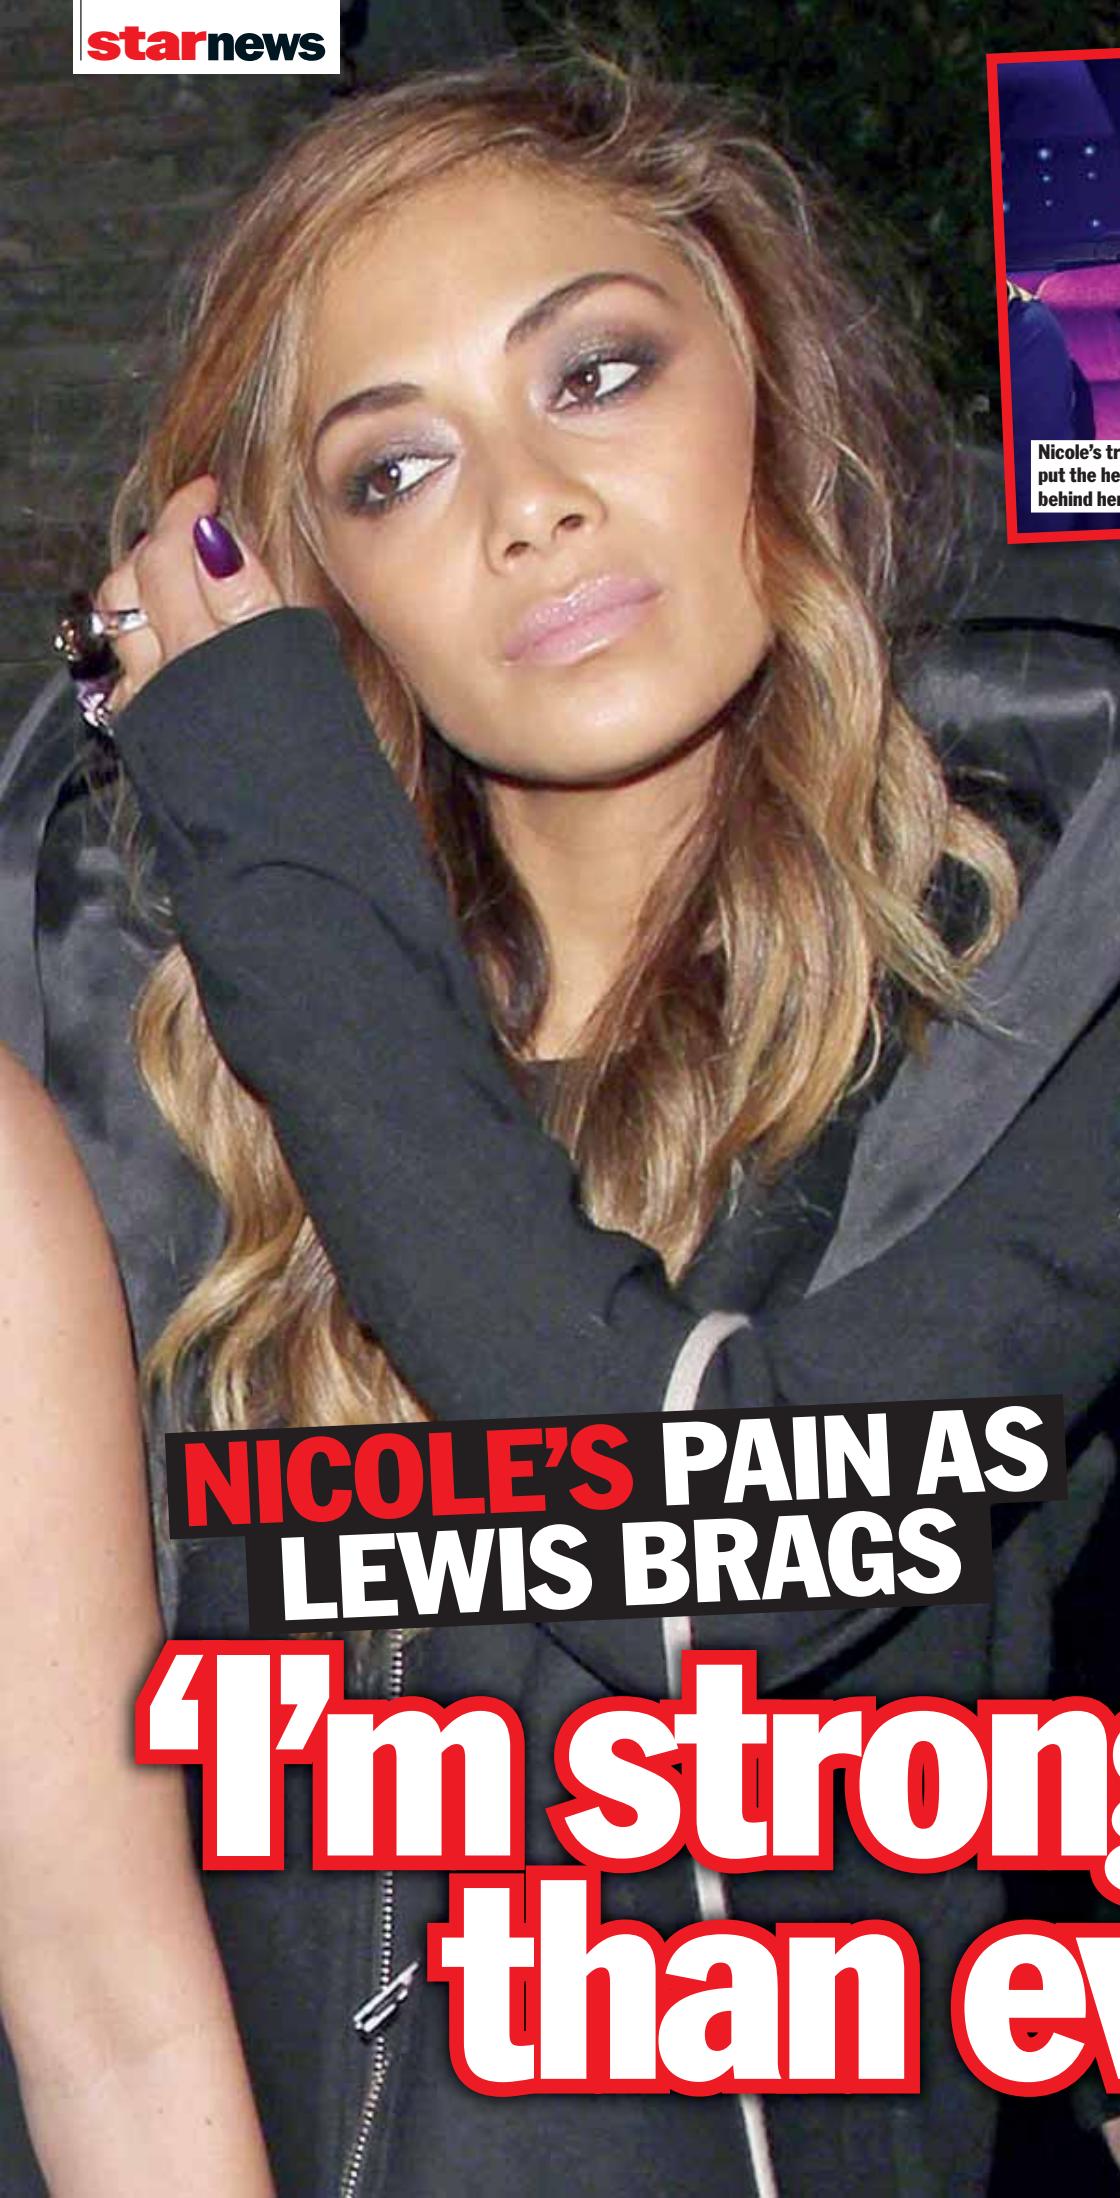

We're sure Kanye will have plenty of advice for you, Kimmy! ■

## Kanye gets a Kim makeover!

Tons of memes inspired by Kim's new platinum blonde locks have been doing the rounds online, but this one of Kanye sporting the same 'do made the Star office laugh most! The pic shows Kim's new hair photoshopped onto her rapper hubby and, weirdly, we think he pulls it off! His and hers hair, anyone?

Nicole's trying to put the heartbreak behind her

**The singer is shocked by her ex's cold comments**

**H**eartbroken Nicole Scherzinger was dealt a new blow last week when ex Lewis Hamilton harshly insisted their recent split "isn't a problem" because they've "been in this position before".

When asked if breaking up with Nicole, 36, last month had affected him, Lewis, 30, said, "Of course, in the previous years it has been the case where it has affected my life in general. Last year, I adopted, maybe the word is a mental attitude, that was impenetrable.

"But I feel that I still carry that kind of mentality from last year and, whilst it's not been easy, I feel stronger than ever. Having been in this position before, I don't feel that it's going to be a problem."

The comments have been a setback for Nicole, who recently tried to put her heartbreak behind her by visiting Venice with a group of pals.

"Nicole is shocked by Lewis' remarks," an insider tells Star.

## NICOLE'S PAIN AS LEWIS BRAGS

# 'I'm stronger, than ever'

Lewis has been out partying

"She was doing a good job of moving on, but these comments have really upset her.

"She doesn't understand how he can be 'stronger than ever' when they were an item for so long. It's making her question their whole relationship."

Nicole, who looked tired and unhappy when pictured out last week, has turned to her religion to help her through this difficult time.

She shared a Bible proverb on Instagram that read, "She is clothed with strength and dignity and laughs without fear of the future."

She also posted a scenic picture of LA, writing, "So good to be back home."

Nicole is now focusing on her theatre career. After being nominated for an Olivier Award for her debut role as Grizabella in the musical *Cats* on London's West End stage, she is apparently in talks with the show's creator Andrew Lloyd Webber to reprise her role on Broadway in New York.

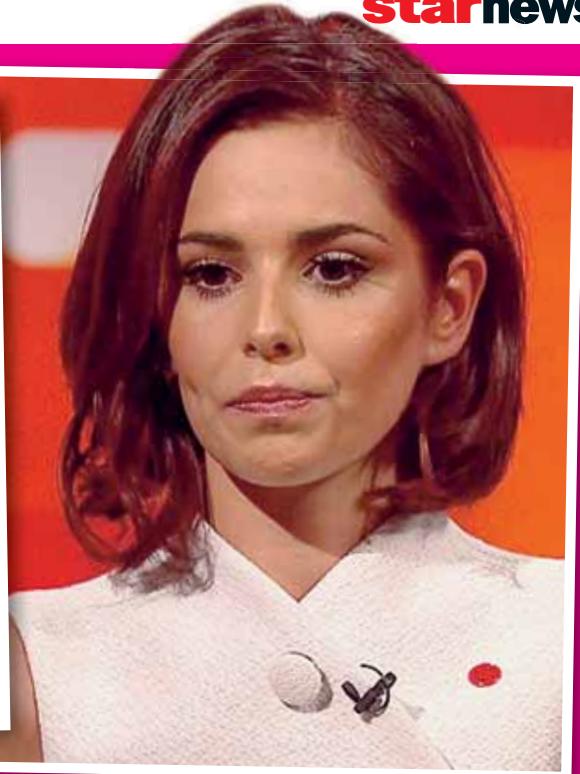

Our source continues, "If Nic lands this role in the US, it will give her something to focus on away from Lewis."

JB lashed out over her single's lack of airtime

# CHERYL'S CAREER MELTDOWN

**The star's left furious after hubby JB attacks her management in public rant**

**C**heryl Fernandez-Versini has been concerned for months that her career is ailing – and now her hubby Jean-Bernard appears to have confirmed her worries in a public rant about her record label.

Last week, the 31-year-old's husband complained on Instagram about the lack of airplay for her new single, *Only Human*, implying that her management team are neglecting her.

"I would like an answer on how come people don't push people who deserve it," he wrote. "How come somebody as exceptional as my wife has to fight for being the best and even her management, label and people that decide who goes on the

radio don't move their a...."

He then branded her team too "lazy to promote such an amazing singer, person and inspirational human being".

A source tells *Star*, "Cheryl confides in JB about everything. She hasn't got the exposure she had on *The X Factor* and she worries her music isn't getting out there.

"JB's post was his way of standing up for her, because he knows how hard she works. He meant well, but Cheryl is furious that he's meddled in her career – she doesn't need anyone to fight her battles for her."

JB's rant didn't sit well with Cheryl's old boss, Simon Cowell, either. Simon, 55, said, "I know her label and her management and they work very, very hard. "I've read this kind of stuff in the

past and it's probably best kept within a meeting room."

JB, 33, also appeared to blame Capital FM DJ Marvin Humes, who is thought to be friendly with the couple. He added, "Marvin is a great DJ, but I am surprised I don't hear more *Only Human* remix when it's amazing."

Seemingly taking back control after JB's comments, Cheryl then went on a spree of self-promotion on Twitter, re-posting fans' comments about her single and her perfume *Storm Flower*.

With no guarantee of a return to *The X Factor* panel this year, she's also planning to escape from work woes by buying a house on the remote island of Mustique, where she and JB wed last July.

She is said to be eyeing up a luxury £7.4 million villa. Our insider adds, "The island holds a lot of happy memories for her." ■

# 'Dan is t who got

**Straight-  
talking Vicky  
Pattison dishes  
on lost love and  
giving up  
partying...**

**L**ately, Vicky Pattison has been hitting the "toon" hard with new BFF Casey Batchelor. But when we catch up with the ex Geordie Shore star, she reveals she's ready to swap partying for a serious TV career.

Vicky also plans to stay single for a while, having gone through a painful split from James Morgan and a short-lived romance with *Ex On The Beach* co-star Dan Conn.

Here, the 27-year-old reality star tells Star why she runs from good relationships and what went wrong with "perfect" Dan...

**Hi Vicky! You've been spending a lot of time with Casey. Why do you get on so well?**

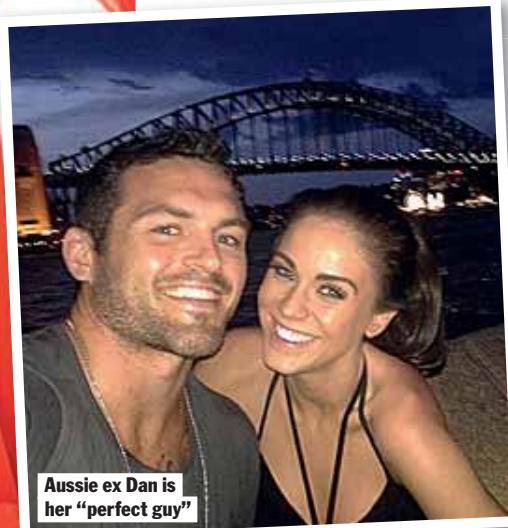

She's a great girl. We're at the same place in our lives – we're both single and career-minded. I've got a bit of a hole in my life at the moment. I'm not seeing anyone and I've not had a serious boyfriend for a while.

**Do you get a lot of attention from men when you're out?**

I think Casey gets more than I do. I'm the psychopath from *Geordie Shore* who has argued with every single boyfriend!

**Do you worry that might turn guys off?**

Well, if a man is put off by a strong woman who knows

# he one away'

her mind, he's not the man for me. Sometimes I worry that I've already met the man of my dreams and I've drunkenly told him to f\*\*k off!

#### **Are you looking for a man?**

I don't want a boyfriend right now. I'm ready for some me time. When I get into a relationship I feel stifled. I panic and think, "Is this it? Is this the one person I'm with forever?"

#### **What kind of guy would you like to meet?**

Tom Hardy! No... stereotypically I'd like someone tall, dark and handsome. But I'd just like someone who doesn't feel insecure about my career and who can laugh at himself. I probably need someone to bring me down a peg or two as well.

#### **What happened with Dan?**

I love Dan. He's actually the perfect guy, but unfortunately he lives in Australia and neither of us have plans to move. We still WhatsApp, but I think Dan will always be the one that got away.

#### **Have you drifted apart from the Geordie Shore girls?**

I still speak to Charlotte Crosby and Holly Hagan, but we're on different paths now so inevitably we're not going to be as close. It's sad, but I'm not in a Geordie Shore frame of mind any more. I'm 27 – I want to make mistakes behind closed doors now. I want to rein in the partying and be serious.

#### **Do you miss the show?**

I do a bit – every time I see someone from the show it hurts. I feel like I've divorced them all!

#### **You recently tweeted a post about jealousy. Who were you talking about?**

It's not someone I've worked with, but she's in the public eye. I had a run-in with her as I don't think girls should be jealous or catty to each other. Women should support one another. I want nothing more than to

With new BFF  
Casey

see my friends, like Charlotte and Holly, succeed.

#### **Do you work hard to stay slim?**

Once you've lost weight, maintaining it isn't as hard. I try to train three times a week. I think every woman who's lost weight thinks they don't want to slip. I'm very aware of my body now. I worry sometimes, but life is for living!

#### **What can we expect from your new show, Judge Geordie?**

You're still going to see the tough nut in me as I sort out people's problems, but I'll show my softer side too. We start filming at the end of this month. I'm so excited.

#### **Tell us about your range with Honeyz.com...**

It's a mid-season range, so it's got nice pieces for that in between time after winter and before spring/summer. My style has really matured and I think this shows that.

#### **What else would you like to conquer this year?**

Everyone knows my goal is to go on I'm A Celeb... I'm dying to get my hands on some kangaroo balls! ■

## DATING DOS AND DON'TS

**With a new advice show in the pipeline, Vicky shares her relationship tips**

✓ DO keep your separate groups of friends, so you're not a chain around each other's necks!

✗ DONT forget to allow each other your own lives. Having space is important.

✓ DO make specific time in the week to see each other – that way it stays special.

✗ DONT be in a relationship if you're not ready to be in one. No one deserves to be cheated on.

✓ DO be honest, even if it's not always nice. It could save hurting someone in the long run.

# MARK BEGS ED 'PLEASE SING AT WEDDI'

**He's desperate to give Michelle the day of her dreams**

**M**ichelle Keegan has set her husband-to-be Mark Wright a last-minute wedding challenge – to get Ed Sheeran to perform at the ceremony! And Mark has publicly begged the superstar to grant her wish.

Speaking on his Heart Radio show last week, Mark, 28, said, “Ed, if you’re listening, we both love you very much, you’re a talented man. Please would you sing – even one song – at mine and Michelle’s wedding?” He added cheekily, “If that’s not a plea, I don’t know what is!”

In his desperate bid to persuade the singer to agree, Mark followed up the request on Twitter, writing,

## WEDDING DIET BUSTED!

Michelle recently told us they were following the Bootea detox to get in shape for the big day, but judging by this snap that Mark posted last week, they're not taking it too seriously!

Captioned, “It’s the little things in life!”, it showed they don’t stop at a plain Rich Tea with their cuppa – going for choccy biscuits, popcorn, M&Ms, jellies and cake as well. Yum!

# OUR NG!'

"Who just heard me BEGGING the legend @edsheeran to sing at @michkeegan & my wedding on my radio show @thisisheart? RT GUYS MAKE IT HAPPEN."

The couple have set the date for the end of May at Tudor mansion Hengrave Hall in Bury St Edmunds, Suffolk, where they'll marry in front of 120 family and friends.

The reception is being held on the grounds of the 350-acre estate, with evening guests taking the numbers up to 200.

Those staying overnight will be put up in the Hall's four-poster rooms, cottages and barns – and Mark and Michelle, 27, have reserved Nanny Pat a ground floor room especially.

A source tells Star, "Mark and Michelle are getting really excited about their big day. Cast members from *TOWIE* and *Coronation Street* will be there, as well as their closest friends and family."

"They've been planning their day for 18 months now and have spent hours hashing out the details, making sure everything is just right. If Ed agrees to perform, it will be the icing on the wedding cake. They can't wait."

Neither can we! ■

## Marnie & Ricky talk baby names!

### The new couple are really getting serious

**T**hey've only been dating for two months, but Marnie Simpson and Ricky Rayment's relationship is moving at a record speed.

The 22-year-old *Geordie Shore* star has even had a conversation about baby names with Ricky's mum, Jan!

A source explains, "Marnie and Ricky have got serious quickly. Marnie Skyped Ricky's mum and they got talking about baby names."

"They're not planning on children yet. They're just excited about the future they want together. They're inseparable at the moment."

The pair are so smitten, Ricky is reluctant to leave Marnie's side and has been travelling the country with her as she promotes *Geordie Shore*.

Marnie recently

told Star, "He's swept me off my feet. I've never felt the way I feel about Ricky."

The pair met at the National Television Awards in January and have been gushing about each other ever since.

Last week, the *Geordie Shore* star tweeted a picture of Ricky at a "Madhatter tea party" writing, "This is why I'm in love. My boyfriend is the funniest person I've ever met."

And Ricky is set to introduce Marnie to his parents. Our source adds, "Ricky's parents spend half the year in Florida, and they haven't been in the UK since he started dating Marnie. Jan is really keen to meet Marnie when they visit Essex."

"Marnie is usually a strong girl who doesn't show her feelings, but she's really fallen for Ricky. She can see herself spending the rest of her life with him." Aww! ■

Marnie finds Ricky hilarious

## JESS'S NEW ROMANCE

She may not have found love, but Jess Wright has signed a deal to write three romance novels with the firm behind Stacey Solomon's debut novel, *Walk On By*.

A source says, "Jess's first book will tell the story of a budding shoe designer trying to make her way into the celeb world."

The novel will hit shelves in July. We wonder if we'll recognise any of the characters?!

# CHARLIE RANTS ‘I’M DONE WITH TOWIE!’

**He lets rip about the reality show, his sister and girlfriend**

**H**e only recently returned to the show after a few months' break, but last week Charlie Sims sensationally quit *The Only Way Is Essex* – telling show bosses via an astonishing rant on Twitter.

The 23-year-old announced the shocking news in a string of furious tweets that also raged at his sister Chloe Sims and girlfriend Ferne McCann, who both star alongside him in the ITVBe show.

The delicatessen owner wrote, “So sad to not lose one... But two people you love dearly to a TV show. Everyone can point the finger at me... But I have morals. And dignity and some sort of self respect. I wish @Chloe\_Sims and @fernemccann the best with

their lives. But always live knowing you chose the show...

“And finally to the @OnlyWayIsEssex I won't be taking part any more. It's time to grow up and move on. Wish everyone the best on the show!

“Stay true to who you are. Today I became me the real Charlie Sims... And so another chapter begins.”

Ferne, 24, told us she was shocked and surprised by Charlie's tirade. And she admitted, “I don't know what's going to happen to us as a couple.”

And as Star went to press, he and Ferne were still not speaking.

Charlie took a break from filming last year as he was said to be exhausted by the heated

rows between Ferne and Chloe, 33, after their ongoing feud led to a rift with his sister.

And although Chloe tried to make amends with Charlie last week, he is thought to be frustrated that she chose to do it on screen rather than privately.

“Charlie has been unhappy on *TOWIE* for a while,” an insider tells Star. “He's a normal, down-to-earth guy and airing his dirty laundry in public isn't his style.”

A spokesperson for *TOWIE* told us, “We haven't been able to film with Charlie for several days because he hasn't felt comfortable sharing his real life on camera, and that is an essential part of being in *TOWIE*.

“We have decided he will no longer be part of the show. We agree that it wouldn't be right for him to continue and wish him well in the future.”

Ferne was shocked by his outburst

Chloe tried to make amends

While Ferne has been blamed for his fallout with Chloe, she took to Twitter the night before Charlie's outburst to have her say.

She wrote, “So everyone knows I have nothing but encouraged @charlessims\_ to reconcile things with @chloe\_sims. I every day tell @charlessims\_ to txt his sister and [make] amends. It's family, life is too short. I'm sick of people thinking it's ME!”

Charlie has since added on Twitter, “Thank you to everyone for their kind tweets today. Its been a journey so far.. Let's see what else life has to offer!”

We'll miss you, Charlie! ■

# 'I don't trust men!'

**TOWIE star Chloe Sims talks about being unlucky in love...**

**W**hen we meet up with Chloe Sims on a Thursday night, we can't believe how lovely she is. It's a far cry from the *TOWIE* show down she's used to having and it's not long before the 33-year-old makes us feel like we're having a good old gossip down Sugar Hut!

Chloe, who has had a turbulent time with her on/off relationship with Elliott Wright and her feud with brother Charlie and his girlfriend Ferne McCann, opens up to Star as she attends the Terrence Higgins Trust Lighthouse Gala Auction in central London...

**Hi Chloe! Are you dating at the moment?**

No, I'm keeping away from men right now.

**Do you trust men?**

Not really. I'm 33 and at that point in my life where I could settle down, but that's a very scary decision because most of the men that I meet want to settle down now. I need it to be 100 per cent right and I really need to want to risk everything for that person.

**Do you have your dream man?**

I don't think dream men exist. When I meet him I'll let you know!

**Why did Charlie quit *TOWIE* last week?**

We're not allowed to talk about that, but I know about as much as you do!

**Is Ferne to blame for the fallout with Charlie?**

It is down to Ferne, but I don't blame anyone. There's a valid reason why we don't speak. She texted me to apologise but, for me, sorry is just a word. You have to mean it. I can be civil with her, but will I trust her again? I don't know.

**How long will you stay on *TOWIE*?**

If I got offered something else amazing I don't know if I'd leave *TOWIE* or not. I've been there four years and, to be honest, this series has been very stressful for me. It's been hard work.

**What do you think of the newbies?**

I love Jake! He doesn't give a shit, does he?

**Is it nice having your cousin Frankie Essex back on the show?**

Yeah, I was really excited! It is just so natural to film with Frankie.

**Do you miss your daughter Maddie when you're filming?**

I miss her all the time! It's a tricky lifestyle, because obviously I've got the show and then I've got things that come from the show. I'm a single working mum doing it for the mums.

**Would you ever let Maddie watch *TOWIE*?**

No, she's not allowed!

**Would you like more children?**

I've been thinking about it a little bit more, especially when I'm with Billie Faiers because I'm obsessed with Nelly!

But I wouldn't really want to go through the pregnancy or the birth again!

**What do you think is the biggest misconception about you?**

That I don't spend enough time with my daughter. That is obscene! I've been a single mum since she was two, so she's always been with me. People also say I'm hard. I'm not – I've got a soft side.

**You're here to support gay rights.**

**Is it an issue close to your heart?**

It's something I feel strongly about. Vas has been experiencing a few issues with his family. He's one of my closest friends and I look at him like he's blessed. He's born to be that way because that's who he's meant to be. ■

I don't want to be down and depressed, but I'm only human!

**I put my love life over everything and nothing has happened. Who knows, I might meet someone soon... I want tall, dark, handsome and banter!**

**Has anyone caught your eye?**

The new *TOWIE* hottie Dan Edgar is really good looking!

**What do you think of Charlie Sims quitting the show?**

I think it's definitely best. I know from experience that it's

**so hard being in the public eye. Do you think he'll sort things out with Ferne McCann?**

They are a really great couple, a great laugh.

**You look fab – what have you been doing?**

I've been training and drinking Bootea – the results are unbelievable. I'm a size 8, but I want to get toned for summer and get a six-pack!

**AMY 'I CAN'T FIND A MAN!'**

# THE ONLY WAY IS *Ferne!* HER COLUMN. HER RULES.

## Shaping up

I've been doing a lot more cardio lately with my trainer. I'm still carrying some Christmas weight and I'm a large size 10, getting on for a 12. But it's not that I want to lose weight – it's about being comfortable in my clothes again and feeling less bloated.

## Charlie and I

After Charlie tweeted about leaving the show and mentioned me and Chloe in the tweets last week, I was honestly really shocked. It feels like it's come from nowhere. It's still all very raw so I don't really know what's going to happen to us as a couple. He wasn't willing to air his problems on camera as he isn't one for lots of drama.

## Objectifying women

I'm loving *Ex On The Beach*, it's my guilty pleasure! But I hate the way the boys talk about women on there. They're constantly going on about how many times they would "bang" them, as if women are some kind of prize. It's disgusting and disrespectful. We're not pieces of meat, lads!

## Race For Life

I had a great day promoting Race For Life's Tough Mudder challenge with Billie. It's such an important cause to support and I urge everyone to get involved. You don't have to be super-fit to join in as there are different races – and you can walk if you want to! To sign up, visit cancerresearchuk.org.

## Billie's a super mum

I'm so proud that Billie won Celebrity Mum Of The Year with icelolly.com. She's the perfect example of a young working mum. She's devoted to Nelly, but she still goes out and enjoys herself. In fact, she manages to balance family life and her career perfectly. She proves it's possible!

## New romance on the horizon?

I'm happy Dan Edgar took Jess out on a date. I told you all a couple of weeks ago I could see it happening! I know his circumstances with his ex are a bit complicated, but Jess has made it clear if they were still together she wouldn't go there. Mario Falcone is also having some issues with his girlfriend Emma McVey as she is going to Miami for work for a while. We'll have to see how things go for them...

**Gemma Collins opens up about the latest dramas in her life...**

**E**ssex diva Gemma Collins is beaming as she sits opposite us at the launch of her new plus-size range with Evans. *TOWIE*'s GC tells us that despite the recent challenges in her life – she split with bad-boy Alex Moss in November and was burgled in February – she's finally in a happy place.

The 34-year-old goes on to reveal the big plans for the next stage of her life and talks about avoiding drama, finding true love and becoming a mum...

**Hi Gemma! You're looking great. How's the health kick going?**

Really well. Every week the number on the scale is going down at my slimming club. I'm now 16st – I've come down from 20st. I'm hoping to be down to a size 16 by summer.

**Do you feel under pressure to be slim?**

I'm watching my weight for health reasons but I've never buckled under the pressure of being slim. I'm not going to stay in because I'm not a size 10! No one is perfect, it's about making the most of what you've got. I don't want to be on a treadmill 24/7 – I haven't got time for that!

**Let's talk about those recent pictures of you leaving a shop with sweets and snacks...**

Every girl does it, why should I be any different? I'd been filming *TOWIE* late and decided to go over to my friend's for a girls' night. Since I was broken into I'm nervous about staying in my flat alone, so I decided to stay with her. I'm not going to worry about it. I'd already lost four pounds that week. I'm allowed one night off!

**How are you feeling about this series of *TOWIE*?**

There's been lots of drama, but I'm older now and I don't really want that in my life. I'm so busy with my other projects, I haven't got time for it and it's a nice place to be in.

**Billie Faiers thinks you'll be next to have a baby...**

Definitely, I'd totally love to have a baby. Knowing me I'll lose all my weight, get pregnant and put it all on again! It's going to happen but I've just got to meet the right person. When I see Billie with baby Nelly I'm like, "Bill, I'm definitely having a baby!"

**Do you want to settle down?**

You've got to feel happy in yourself before you settle and I do now. So if it comes along, lovely, but I'm happy to wait. I'm not dating at the moment – there's not anyone I'm interested in right now.

**If you don't find Mr Right, would you adopt?**

Never say never. You don't know what's going to happen in life, so I wouldn't rule it out.

**Do you think you're a magnet for bad boys?**

I have been silly in the past, but I don't wake up and think, "I'm going to find a bad boy!" You can meet someone who seems amazing but it's hard to know if they're genuine. But I believe in love – it will happen.

**Could you and James 'Arg' Argent get back together?**

I see Arg as a little brother now. We'll always be friends, but I can't see myself dating anyone younger again.

**Tell us about working with Evans on your collection...**

I came into this industry and everyone was like, "We need to get this girl to lose 15st! We need to change her!" But this range has proved I can stay who I am and champion plus-size, normal women out there. ■

DAN

# 'I'M NOT A BAD DAD!'

**TOWIE** star defends his parenting skills following domestic violence threats

Dan Osborne's world was thrown into chaos after a leaked tape of him threatening his ex-girlfriend Megan Tomlin was made public, leaving his TV career on *The Only Way Is Essex* hanging in the balance.

But after the existence of a second recording was revealed last week, in which he's said to shout aggressively at a sobbing Megan while their 14-month-old son Teddy plays in the room, Dan has been left upset at being labelled an unfit parent.

Former fans have turned against Dan, 23, who also has one-month-old daughter Ella with *EastEnders* actress Jacqueline Jossa.

"A few photo shoots and words are nothing. You are judged by your actions and his behaviour leaves a lot to be desired," one fan wrote online. Another added, "What a creep. And Jac was foolish to have

Dan's children are his "world"

a child with him." One even blasted, "No one in their right mind would want him anywhere near their daughter."

A source tells Star, "Dan has apologised for his out-of-character rant at Megan and it's something he deeply regrets. But what hurts

him most is that anyone would question him as a father. His children are his world."

The backlash comes after Dan was recorded saying he would "stick a knife" in Megan, 22, if she slept with another man. He also branded his then unborn daughter

with Jacqueline a "mistake".

Dan's dad, Jim Osborne, waded into the row last week, writing on Facebook about Megan, "Pure 100 per cent scum. Tramp, great role model. Nasty people who think they are clever trying to use violence on a good man."

Dan is currently "taking a break" from *TOWIE*, as he tries to put the scandal behind him. And showing he's trying to brave the fallout, he also reposted a quote that read, "People know your name, not your story. They've heard what you've done, but not what you've been through. So take their opinions of you with a grain of salt." ■

## DON'T THEY LOOK CUTE! Can you match the Essex star with their cute kiddy snap?

1 The cherubic smile and dimples are the same, but there's no sign yet of this *TOWIE* regular's trademark hair and eyebrows...

2 The eyes are unmistakable! And now this fashionista's little sister has also made her debut on the show.

3 Isn't he cute! He might have cleaned up these days, but his love life is just as messy...

4 We've missed this cheeky smile on *TOWIE*! And she still looks just as angelic today.

# Devastated Cara loses her baby

**The former TOWIE star suffers a late miscarriage**

**M**essages of support poured in for former TOWIE star Cara Kilbey last week, following the sad news that she suffered a late miscarriage.

The 27-year-old was more than five months into her pregnancy when she and her partner tragically lost their baby.

The TOWIE gang were the first to offer their support. Jasmin Walia tweeted, "I can't imagine what you're going through right now. Thinking of you. So sorry to hear of your loss."

Ferne McCann told us, "My heart goes out to Cara and her partner. I can't imagine how difficult it must be for her," while Billie Faiers said, "I felt so sad for Cara. I'm sending my love and thinking of her. I hope that eventually she will be okay. It's just awful."

Cara's best friend Billi Mucklow, who announced her pregnancy just weeks before Cara, also tweeted a touching message to her friend that read, "Love you with all my heart."

A spokesperson confirmed the devastating news in a statement, saying, "It is with great sadness that I must inform you that last week Cara Kilbey suffered a late miscarriage.

"Cara and her partner are devastated at the loss and will not be commenting further on this deeply upsetting matter. Cara would like to thank Sands, the stillbirth

and neonatal death charity, for their tremendous support."

Shortly after her ordeal Cara, who left TOWIE in 2013, posted the quote, "What doesn't kill you makes you stronger" captioned with a broken heart emoji.

She later thanked friends for their support, tweeting, "Thank you to everyone for your kind words today to get us through this difficult time. Every single tweet or Instagram comment I have read today has helped me so so much... I am overwhelmed by the love from so many people. Thank You."

Cara announced she was pregnant in January when she wrote on Instagram, "So Happy and Excited to announce we are expecting our first baby together July 2015."

As the weeks went on, she took to social media to post regular snaps of her growing bump and share her excitement at becoming a mum.

Our thoughts are with Cara and her partner at this difficult time. ■

# 'I want to win Chloe back'

**TOWIE** new boy Jake Hall plans to reunite with his ex

**F**ormer professional footballer Jake Hall recently made his first appearance on **TOWIE** alongside his ex-girlfriend, Chloe Lewis – although he tells us they were still together when they first agreed to appear on the famously explosive reality show!

The 24-year-old reveals to Star what went wrong between them, what really happened with Lauren Pope and the tips his good pal, Joey Essex, gave him before filming began...

**Hi Jake! How are you finding the **TOWIE** experience?**

It's a bit dramatic but I'm having fun.

**Who do you get on with best on the show?**

I'd never met Gemma Collins before, but she's lovely. I don't usually get worried around ladies, but she's got something about her that's a bit scary! I'm getting on well with her, though.

**You were with Chloe for six and a half years. What happened?**

We were meant to be doing **TOWIE** together, but then we split up because we argued a lot. I wasn't too sure whether she was coming on the show or not, then she appeared through the door! It was really awkward.

**How would you feel about seeing her date someone else?**

I wouldn't be happy, it would be horrible to watch. But if it's going to happen, it's going to happen, I can't do anything about it. Ferne McCann is trying to push Mario Falcone to go on a date with her, but I'll stick by what I said. He's a drip.

**Do you want her back?**

It would be nice... I don't know if it's going to happen, but I would like to see if I can make it work. She needs a little bit of wooing.

He wants to keep Chloe away from "drip" Mario

**What do you need to do to win her back?**

I'd need to settle down a bit, stop going out a lot and partying. I want to prove that I'm willing to just be with her and go out with her more.

**Why did you deny kissing Lauren?**

I don't remember doing it, but there was alcohol involved. I'd never want to make Chloe upset or jealous.

**Who's the fittest girl in **TOWIE**?**

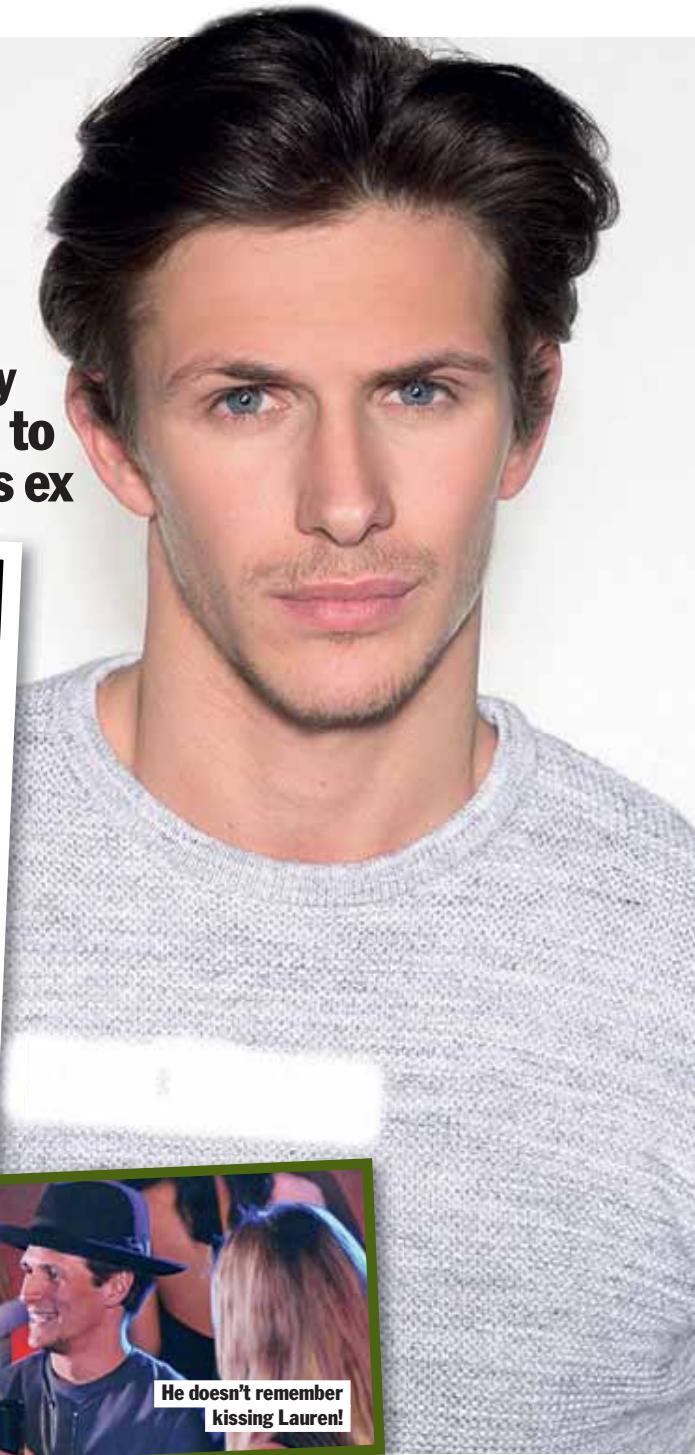

Chloe Lewis. I like natural girls – the surgery look isn't for me.

**What advice did your pal Joey give you about joining **TOWIE**?**

He said, "Be yourself and you'll be all right!" so that's what I'm trying to do. ■

Robyn Morris

**Catch **TOWIE** at 10pm on Wednesdays and Sundays on ITVBe**

He doesn't remember kissing Lauren!

## HOW ESSEX ARE YOU?

**We quiz Jake on his pastimes...**

**How often do you get spray tans?**

Never.

**Do you wear bronzer?**

No!

**When was the last time you went to Sugar Hut?**

About a month ago.

**When did you last tell someone to shut up?**

When I was filming a scene with Ferne.

**What car do you drive?**

At the minute I'm not

driving, I'm getting taxis.

**Have you ever worn your hair in a topknot?**

Yes, not that long ago! I went through a week of madness.

**Do you have a handkerchief hanging out of your pocket?**

No.

**Verdict:** 60 per cent Essex. No fake tan, but Sugar Hut is very Essex!

# 'Nelly is into everything now!'

**Billie Faiers is ready for chaos now her daughter is crawling...**

**B**illie Faiers is looking glam when we meet at London's Hamilton Place. She's also grinning from ear to ear, and with good reason – she's just been named icelolly.com Celebrity Mum Of The Year.

As she bounces eight-month-old Nelly on her lap, the *TOWIE* star, 25, tells us what she thinks of sister Sam's new boyfriend, Paul Day, her wedding plans with Greg Shepherd and why Ricky Rayment would make a good dad!

**Hi Billie! How are your wedding plans coming along?**

We haven't set a date yet as we're still looking at venues. We don't know if we are going to do it abroad or in this country.

**Nelly is adorable! Has she reached any milestones lately?**

She started crawling this week – she moves everywhere! She pulls herself up too, she's really advanced. We had to babyproof the house. Let the fun begin!

**Would you leave *TOWIE* to spend more time with her?**

It's challenging and tiring but I don't want to leave. They're flexible with Nelly, so it works well.

**Have you met Sam's new man?**

I have! He's really nice. She's very career-minded at the minute, but when the time is right she'll settle down and have children.

**Will she have kids soon?**

It'd be nice for our children to be similar in age. I reckon she'll have them in a couple of years.

**What do you think of *TOWIE* newbie Dan Edgar?**

I don't know him well, but he's charming and looks great!

**Could there be romance with Jess Wright after their date last week?**

He's recently left his long-term girlfriend and Jess wants to have fun. She doesn't want to be with anyone.

**Do you know Jake Hall and Chloe Lewis?**

Chloe is nice. I don't really know Jake, but they're great newbies.

**Marnie Simpson's already talking babies with Ricky Rayment.**

**Would he make a good dad?**

He's got loads of energy, so he'd be a fun, playful dad.

**Who do you think will be next to have a baby on *TOWIE*?**

I think if Gemma Collins settles down she'd love a baby soon.

**How does it feel to be Celeb Mum Of The Year?**

I was really honoured to be nominated, let alone win. I was really surprised. It's lovely! ■

My mum Sue always used to tell me not to wear make-up to school. She'd say, "Why are you wearing all that make-up?" It was a phase and everyone goes through it, but you look back and think, "Look how lovely my skin was!" Now I think, "I'd love not to have to wear make-up!"

## Pricey hobnobs with Camilla

Never underestimate the Pricey – she now rubs shoulders with royalty!

Keen horsewoman Katie posed with the Duchess of Cornwall, 67, at the Cheltenham races last week. The 36-year-old, who kept her style low-key for the posh event, looked right at home

next to Prince Charles' wife as her hubby Kieran Hayler, 28, looked on.

Commenting on rumours she'll appear on this year's *Strictly*, she said, "I'd love to go on the show, but they've never asked! So I'll stir the pot up and say, 'If it's true, give us a call!'"

## Vas slams Tulisa

TOWIE's Vas Morgan has made it clear his beef with Tulisa isn't over. When asked who his ideal X Factor panel would be during a Radio 1 Xtra interview, the 24-year-old replied, "My perfect X Factor line-up would be anyone that's been on the show before – minus Tulisa."

Last year, Tulisa was found guilty of assaulting Vas at V Festival in 2013.

## Dermot's X future

Dermot O'Leary isn't sure if he'll be returning as host for this year's series of *The X Factor*. The 41-year-old says, "We normally sit down February/March, but Simon wants to change stuff. So I need to see what changes he is going to make before I know a) if he wants me and b) whether I'm suitable for those changes. If he says, 'Half your gig is a voiceover,' I'll have to think about it. If he lets me do my thing, of course I'd do it." You better be there!

# Sienna's cabaret catastrophe

She recently admitted she was worried that she wasn't sexy enough for her role in *Cabaret* on Broadway in New York, and now Sienna Miller's worst fears might have come true.

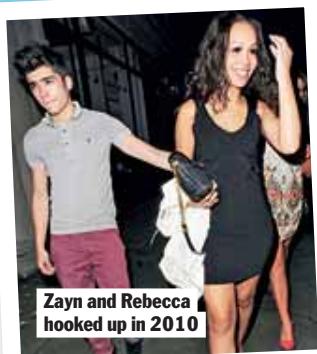

Poor Sienna managed to walk into a hefty prop during a performance, leaving her with a black eye and needing stitches! Understandably, she's since been sporting a big pair of sunnies...

## Kate does Downton

A pristinely dressed Duchess of Cambridge paid a royal visit to the set of ITV drama *Downton Abbey* last week. And the 33-year-old pregnant royal felt so at home with the cast that she stayed a whole hour longer

than scheduled! Kate described the set as 'so neat and lovely', when she met stars including Michelle Dockery and Joanne Froggatt. Mrs Patmore to fans, Lesley Nicol, said, "The Duchess really enjoyed herself."

Zayn and Rebecca hooked up in 2010

## Rebecca 'I'll never tell all about Zayn'

Singer Rebecca Ferguson hit back at claims she's set to write a tell-all book about her brief relationship with 1D's Zayn Malik, after they met on *The X Factor* in 2010.

The singer tweeted, "No story about Zayn, I respect him too much to be negative." Weirdly, she quickly deleted the post. Did you change your mind, Becs?

**S**heena McHugh has faced her share of pain in the past. At just 17, she lost her beloved dad, who shared her passion for music, then came close to death herself in a horrific car accident that left her with a broken back.

But they were just setbacks for the brave northern girl, who says her negative experiences motivated her to build a successful music career. And with Will.i.am as her mentor on *The Voice*, she's well on her way to achieving her dream.

We chat to the 26-year-old about her new celeb fans and her "amazing" boyfriend of four years, builder Carl Tomkins...

**Hi Sheena! Are you excited for the live finals?**

It's always been my dream to sing to the nation live on a Saturday night – now that's going to get crossed off the bucket list!

#### How has your life changed?

I went back to my old school and the kids were asking for autographs and selfies and I was like, "It's still just me!" It's weird... one day you're talking to Will.i.am and the next you're doing things like ironing. It's like living two lives!

#### Have any celebs tweeted their support?

Adam Rickitt has, and Kerry Katona is following me! I love Kerry, she's a proper woman's woman.

#### Are you getting lots of attention from male fans?

Not really. I get a couple of tweets like, "Sheena's voice is hot" but I don't look for it because I've got a really amazing boyfriend. He's so supportive and has helped me become more confident.

#### Aww! Did he encourage you to do *The Voice*?

He said, "You've got nothing to lose, just go for it." When I'm nervous, he's level headed and says, "Sheena, don't be nervous because you're going to do this." He's never missed a performance, he's my lucky

I haven't been in there, but I imagine it's full of goodies and technical stuff.

**He's known for his random sayings.**

**What's the weirdest thing he's said to you?**

He said I should have two chinchillas on leashes with chinchillas on my back for a performance!

**Has he told you off yet?**

He sees my lack of confidence sometimes and

says, "Sink or swim, do or die, go hard or go home." He says it like it is.

**Does he ever name-drop?**

I imagine if I was on Team Tom that might have happened a couple of times. Will

might have mentioned Fergie a couple of times, like, "Fergie did this" and "She'd do this" but that's it really. I'm quite happy for him to talk about Fergie!

Getting to the live finals is her dream come true

charm! I'm so in love with him and he's a proper hunk.

**Why did you choose *The Voice* over any other talent show?**

I did *The X Factor* two years ago, I got to the part where you sit on the chairs, but I got sent home. I loved it and it was a good experience, but *The Voice* feels more me because I don't have to be interesting in other ways to progress – I can just be myself and that's enough.

**What's Will like to work with?**

He's so creative and sees things differently. I like that – it brings excitement to everything. I just want to please him and make him think he made the right choice putting me through. I'm a bit of a starstruck fan!

**Which judge is the biggest diva?**

Will is quite a diva! He's just a ball of passion. But they've all got a bit of sass going on!

**You almost died in a car accident. Has that made you more determined?**

It gave me the fire in my belly to think, "Success won't come looking for me, that could've been the end." If I'd died in that accident, which I nearly did, there would be nothing of my music left behind. I want there to be something left that I'm proud of.

**Did losing your dad at 17 push you to succeed?**

I was a daddy's girl and music was our thing. We used to do karaoke together and record my little demos. I feel like he's with me when I'm singing. I imagine him sat on the front row and how proud he'd be. It pushes me to give that bit extra to my performance, that pure emotion. I'm overwhelmed with sadness, but happiness at the same time. ■

**Joe Woolford reveals his shy side as he makes *The Voice* finals**

**W**hen we meet *The Voice*'s Joe Woolford, he's a little awkward. Despite being a favourite to win, he admits he's shy and worries about making a fool of himself.

The 20-year-old PE teaching assistant tells us what mentor Rita Ora is really like and why his girlfriend Sally isn't fazed by the female attention he's getting...

**Hi Joe! How does it feel to be a finalist?**

It's so surreal. I applied for the first series and didn't even get past the first audition, so to be at this point is incredible.

**Have you had a lot of support?**

Every time I appear on an episode, my phone goes ballistic with notifications on Twitter and Instagram. It's nice to know that people like me. I always doubt myself. I just hope I don't come across as cocky or anything because I'm quite shy.

Joe is finding the experience surreal

**Have you auditioned for any other talent shows?**

Literally everything! *The X Factor*, *Britain's Got Talent*... But I was so glad I got through on *The Voice*. I believe everything happens for a reason. If I'd gone on *X Factor* I might have made a fool out of myself on telly!

**What's Rita like?**

She's a similar age to me and knows how I'm feeling and how much I want it. She wants to bring out the best in her contestants.

**Do you fancy her?**

Obviously! [Giggles] I'm desperately trying to show her my best. I'm so focused on making her feel like she made the right decision and trying not to mess up. I'm always on my toes around her.

**Have you had a lot of female attention?**

I work in a high school, so the young girls make flirty comments – although obviously I don't say anything back.

**Does your girlfriend get jealous?**

Sally knows how much I want it and has been really supportive. She doesn't get jealous because she knows she can trust me. This is my six-month window to learn everything I can and try to get signed! ■

I'm not sure, but her hair and make-up is always perfect, so I'd say it's probably a long time.

Lucy-Jo says  
Sienna is the  
love of her life

**S**he's best known for starring in Coronation Street and Wild At Heart, but Lucy-Jo Hudson says her proudest role is being mum to adorable daughter Sienna-Rae, 18 months.

The 31-year-old actress is married to her former Corrie co-star Alan Halsall, who plays Tyrone Dobbs. We catch up with her to gossip about motherhood and her charity work...

#### Hi Lucy! How is Sienna-Rae?

She's walking and talking now and she's ridiculously clever for her age – you can have a proper little conversation with her. People say she's like my little friend and she really is. She's the love of my life. We do everything together.

#### Is she more like you or Alan?

She's a mixture... She has my big eyes, but her daddy's personality.

#### What sort of dad is he?

He's amazing. Sienna-Rae is definitely a daddy's girl, they are so cute together!

#### Would you like another one soon?

We would love a brother or sister for Sienna, but not yet. I'm loving her at the age she is and I'd like her to be a bit older and more independent

**Do you want a big family?**

We want a couple of kids, but you never know!

**Are you in touch with your Corrie co-stars?**

Lots of them! I'm good friends with Samia Ghadie, so now she's back in Manchester I'll get to see her a bit more.

**Are you friendly with Michelle Keegan?**

I was with her at an event at the weekend. She is so beautiful, that girl! But she's like a normal girl-next-door.

**Will you be going to her wedding to Mark Wright?**

I don't know her well enough to get invited to something like that – she knows too many people!

**Have you seen Helen Flanagan since she announced her pregnancy?**

I saw her at an event recently and she looks amazing. She's a beautiful girl anyway, but she has really come in to her own. She's really enjoying her

pregnancy. I advised her to get as much sleep as she can because that goes out the window once the baby is born.

**Do you still see your former Wild At Heart co-star Amanda Holden?**

Not as often as I like, because she lives in London and I'm in Manchester. We keep in touch and send each other pictures of our kids.

**What made you want to get involved with Just A Drop's Mums Army campaign?**

It's about mums and their families in underdeveloped countries and how they have to live with dirty water. Reading the statistics of how many children die was really shocking. As a mum I wanted to help in any way I can. ■

# Where is the LOVE?

Has Cupid's arrow hit or missed this week?

## Joey Essex & Reem

Reem is over! You'd have thought a girlfriend with the same name as his bizarre catchphrase would be perfect for former *TOWIE* star Joey. But after seeming loved-up with the air hostess (inset), he now says there's another girl on the scene – and it's "quite serious". Speaking about Reem, Joey, 24, says, "I don't know what's going on. We're talking but I'm still on the market, put it that way." However, he refused to spill any details on his new love. Don't tell us she's called Fusey!

SPLIT!

## Spencer Matthews & Lauren Hutton

We hope Lauren isn't eager for marriage or kids – because her *Made In Chelsea* man Spencer seems horrified at the idea. The grouchy 26-year old says he "can't think of anything worse" than having children and insisted that marriage is "not something that crosses my mind at all". However, he reserved some warm words for his 27-year-old girlfriend, saying, "It's nice to feel like I'm doing the right thing for once."

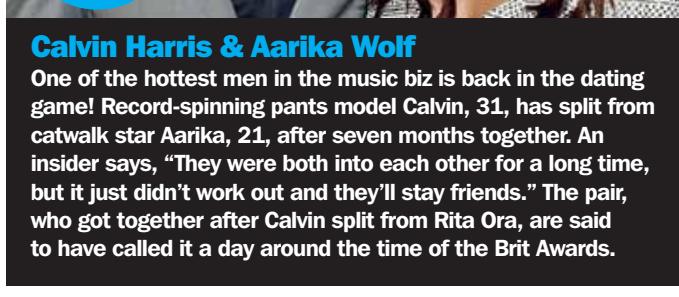

## Elliott Wright & Chloe Sims

They've been on and off more times than a strobe light, but it seems the turbulent *TOWIE* couple are back together!

The pair arrived at the TRIC awards in London together last week and happily posed for cosy pictures. They were also recently pictured working out together in the gym, with Chloe even trying an unusual move – balancing on Elliott's shoulders while doing pull-ups. Are the pair putting their string of volcanic onscreen rows behind them and trying to make things work... again?

## Calvin Harris & Aarika Wolf

One of the hottest men in the music biz is back in the dating game! Record-spinning pants model Calvin, 31, has split from catwalk star Aarika, 21, after seven months together. An insider says, "They were both into each other for a long time, but it just didn't work out and they'll stay friends." The pair, who got together after Calvin split from Rita Ora, are said to have called it a day around the time of the Brit Awards.

LOVE BITES! LOVE BITES! LOVE BITES! LOVE BITES! LOVE BITES!

● Miley Cyrus and Patrick Schwarzenegger are talking marriage! The loved-up pair have casually said in front of friends that they're going to get hitched – and it seems the family are on board, too. Patrick's big sis Katherine said last week, "I think they're adorable." ● TV and radio host Johnny Vaughan has split from his childhood

sweetheart Antonia Davies after 14 years of marriage. The pair, who have a son and a daughter, met as teens when she came into the London video shop where he worked. ● It appears Shia LaBeouf and his girlfriend Mia

Goth are engaged. The actress, who met Shia on the set of movie *Nymphomaniac*, was seen walking through an LA airport last week

with a dazzler on her ring finger.

● Simon Cowell's former girlfriend Terri Seymour has given birth to a baby girl. It's TV presenter Terri and her British model boyfriend Clark Mallon's first child.

# 'I'm always in the friend zone!'

**Taking New York's Matthew Charles says he struggles to get female attention**

**W**atch out *TOWIE* and *Made In Chelsea* – the reality TV show everyone's talking about is *Taking New York*, which follows a group of twentysomething Brits trying to make it in the Big Apple. And the bitchiness, scandal and drama make its UK rivals look tame!

We catch up with 28-year-old Matthew Charles, who's been living the American dream for six years, to find out about his co-stars, dating Stateside and what he thinks of Lucy Watson's comments about the show...

#### Hi Matt! Do you get on well with your castmates off-screen?

There are people from all walks of life so you're dealing with a lot of different personalities. Obviously I gel with some more than others! I'm closest to Sophie Pape. We have a great laugh together.

Hanging out with Sophie in NYC

#### Can you be yourself on *TNY*?

In the first episode it wasn't me at all. I'm a fun, lovely guy to be around, so it's frustrating.

#### What do you love most about living in New York?

The ability to do anything. If you dream it up, you can do it.

#### What's the dating scene like?

Everyone is so busy, so it's hard to fit it in. You meet people all the time, but thank goodness for the invention of Tinder!

#### Are you a player?

I don't think my mum would be happy with me being described like that! You should always treat women with respect. Most of my friends are women and it tends to go into the friend zone, but I think that says something about how I treat women.

#### Do you have a type?

There's nothing more attractive than an independent, powerful, successful woman.

#### Lucy Watson called the *TNY* boys "dicks". Have you met her?

I haven't but some of the other guys know her and weren't very complimentary! Jamie Jewitt gave her a snarky comment back, which was hilarious. [He tweeted, "Is this about me choosing Riley over you once in Brooklyn Miss Watson?"]

#### Do you miss the UK?

Desperately. It's very depressing.

I've missed out on so much, like my brother and sister's birthdays, graduations, heartbreaks... But I had to make a sacrifice to get ahead in the world. ■

## WHAT I MISS THE MOST ABOUT BRITAIN!

**BRITISH GRUB** I get annoyed when people call British food shite – it's really good! I love cookery shows – Jamie Oliver's my hero!  
**THE LOCAL PUB** I miss The Swan at home in

Norfolk. The British pub is the epicentre of the community – there's nothing like that here.  
**BANTER** British people are different from Americans. Someone once said to me, "Americans are like peaches – soft on the outside until you hit the pip"

and you can't get any deeper." Brits are the opposite.  
**SPORT** I miss going to watch rugby. I don't follow American sport. When I go to ball games here, I hit the beer because I don't know what's going on!

DIETS, DATING AND DRAMA...  
TALES OF A GEORDIE GIRL!

Hi guys!

I'm finally back in the UK and it feels so great to be home. When I landed and smelt the cold, crisp air, it was amazing! I can't wait to be in my own bed at my house with my telly on and my mum bringing food up to my bedroom!

Charlotte X

No apologies

I was criticised by another magazine for filtering my selfies, but doesn't everyone? They used an unflattering photo of me after a 24-hour flight when I had my period and compared it to a picture with more flattering lighting. Am I supposed to apologise for that?

Kim Harries?

I'm a huge fan of Kim Kardashian's new platinum-blonde hair, but in some pictures it does look a bit yellow. I can imagine that if she was having a bad hair day, she might get mistaken for Lauren Harries!

I only have love for Katie

I really like Katie Hopkins, so I don't mind her making comments about Mitch not being right for me. Katie actually saw me with another boy before I got back together with Mitch, but she wasn't to know that it wasn't him. And she was right – me and that guy weren't right for each other! I'm happy with Mitch. There are no hard feelings!

My girls

It was so nice to see my Geordies when we did a promo for series ten last week. Me and Holly spent the day taking selfies – I couldn't wait to see her! Me and Marnie had been holding in all of our gossip until we saw each other. We have the best chats! Sometimes when we're filming we'll lock ourselves away in the girls' bedroom with lots of snacks and talk for hours about everything and anything!

David's dress-up

Apparently David Walliams and Lara Stone separated because she wasn't happy with his cross-dressing. It's probably nonsense, but I love David so much that if Mitch decided to do anything even remotely like him – even wearing my clothes – then I would propose marriage to him then and there! It is a leap year, isn't it?!

A lucky escape!

Kym Marsh has spoken about having a near-death experience on a plane. I can relate to that, as when we were filming the sixth series of *Geordie Shore*, I got stuck underneath a boat when we were white-water rafting. I fell out and was dragged along by the boat with the current. I thought I was a goner! Thankfully I got stuck on a rock so I could come up for air.

# 'It's been a nightmare'

**Made In Chelsea star Alik Alfus opens up about that scandalous Instagram pic**

**W**hen we approach *Made In Chelsea*'s Alik Alfus at the Shopa Launch Party at the Ham Yard Hotel in London, he is more than willing to spill the goss to Star. His girlfriend, Louise Thompson, 23, on the other hand, is a bit more sheepish and doesn't want to talk.

So we chat to Alik, 26, over a vodka, lime and soda to find out what's in store in the new series of *MIC* and why he and Louise aren't ready to move in together. And, confusingly, Alik says he isn't sure whether that kinky Instagram picture of him and Louise was Photoshopped or not!

**Hi Alik! How's filming for *Made In Chelsea* going?**

It's going very well, there's a lot of fresh new blood and new energy. We're up to about episode five now. I'm doing my best to stay out of drama, but that's not as easy as I'd like it to be. It is *Made In Chelsea*, after all!

**How are things with Louise?**

Things are great. We just got back from Bali – we went to visit my mother, who lives there, and it was Louise's first time meeting her.

**How did it go?**

Amazing! My mum said to me, "I'm really happy that you found someone you love. I wish that my boyfriend would treat me the way that I see you treat her. I'm proud of you, son." I've never heard her talk to me like that in my whole life!

**Sweet! Are you still enjoying London life?**

My visa prohibits me from working here, but I'm here for Louise. I love her, so I'm trying to figure out a way to keep a balance.

**Are you living together?**

I'm there all the time, but we're not ready to move in together.

She has her own house with her brother. She's not giving that up any time soon!

**Would you like to move in?**

I'm very much comfortable having my own place, but spending most of my time with her. It's nice to have your own place to revert back to and get your own space!

**How did you feel when that naughty snap of you and Louise was posted on Instagram?**

Deeply disturbed. I don't know how the hell it got out there, obviously it was some hacking. It sounds weird, but thankfully it wasn't a much more embarrassing shot. It could have been a lot worse! I could let it bother me or I can be like, "F\*\*k it, it happened, it's in the past, deal with it." And that's what I'm doing.

**Were you embarrassed?**

Yeah! I was walking down the street right after it went up and some guy yelled at me, "Hey Al, nice cock!" I was like, "Oh my God, Jesus Christ!" It's a huge invasion of privacy. It's been a nightmare.

**Is the picture real?**

I think it was Photoshopped... I don't know the full story.

**Your statement said you knew lots of people with motives. Who do you think did it?**

There have been hate messages on Twitter and Instagram – mean, negative, gross direct messages. I guess those comments are based on the fact that I have had some of those messages, as has Louise.

**Do you think it was someone you know?**

Oh no, not at all! ■

# 'Spencer has grown up!'

## Rick Edwards admits Spencer Matthews is a changed man

**R**ick Edwards is usually found teasing the *Made In Chelsea* cast at the end-of-season party or helping self-confessed 'tools' buck up their ideas on *Tool Academy*. So imagine our surprise to learn he'd written *None Of The Above*, a book encouraging young people to vote in the general election!

But don't worry, the E4 star has no plans to swap TV presenting for a career in politics.

We catch up with the 35-year-old to hear all about why he'd never date any of the Chelsea girls, what his biggest turn-off is, and why he thinks Spencer Matthews is ready to settle down...

### Hi Rick! We've seen you poke fun at the *MIC* cast – have you really offended any of them?

Mark-Francis Vandelli, Victoria Baker-Harber and Lucy Watson have got annoyed with me. But that's what I do on the show – poke someone's problem and make them absolutely livid. I'm just doing my job!

### What about Spencer?

Spencer gives me a call before every show and says, "Can we meet up and have a quick chat about what you're going to talk about?" He tries to manipulate me into asking what he wants, but I never listen to anything he says!

### Is it love with Spencer and Lauren Hutton?

It seems to be the first time he's really liked someone, so maybe he's growing up. There's nothing wrong with going out and being a player, but don't do it when you're going out with someone.

### Who's the most down to earth?

None of them are! But Proudlock's a very nice bloke.

### Do you fancy any of the girls?

They're not my scene. We don't have a lot of shared interests.

### What's your biggest turn-off?

If a girl is taller than me. That would be really weird.

### You've written a book about politics. Do you ever worry it won't be taken seriously?

Of course! People will say, "What does this guy know about politics?" But if you live your life being scared of what people are going to say, you won't ever do anything.

### Do people assume you're an airhead?

People assume TV presenters aren't the brightest, but I don't let it upset me. I'd be more upset if someone met me and still thought, "The guy's an idiot."

### Would you quit TV for politics?

I don't have any great hankering to do that!

### Which celebrity would you like to run the country?

Simon Cowell would be good at assembling a team of talented people. Louis Walsh could be Chancellor.

### What would your dream presenting role be?

I'd like a crack at one of those big Saturday night shows. I'd like to do nature programmes one day, too.

### Would you ever take part in a reality TV show?

I don't think I'd be very interesting. I'd be really dumb as well, so I wouldn't want to subject people to that! ■

## HOW RICK WOULD CHANGE THE WORLD!

**W**hen we told Rick we had elected him as President of the World, he was truly giddy with excitement... "I'm excited that I've been elected, it's a huge surprise," he told us. "I'd like to thank myself for being an excellent candidate for the job. I already feel drunk on power!" And it seemed only fitting to find out what the modest TV presenter would do with that newly gained influence...

**MAGIC GAS**  
I'd release some form of gas that inoculates everyone against all diseases. It would get rid of AIDS, Ebola and cancer, so I'd have a very healthy population.

**BRING BACK THE ANIMALS!**  
We've caused the extinction of about 50 per cent of the species on the planet, so I'd like to bring them all back. I like the idea of the lynx roaming around Wales.

**LUXURIES**  
I don't know if this would appear in my manifesto, but I'd like a plunge pool and hot tub in my garden. People might begrudge me for that, but I'm President of the World so I can do what I like!

**BASIC NEEDS**  
I'd do a few things for popularity too – I'd get everyone clean water and nice food. I'd win the next election!

## Taylor's pricey pins

Taylor Swift may not be a supermodel, but her extremely valuable legs tell a different story. The singer has supposedly insured her super-long pins for a huge \$40 million, to make sure she doesn't lose out if she injures herself and is unable to dance and strut around the stage.

But Tay's got nothing on Jennifer Lopez – the 45-year-old apparently insured her derrière for a whopping \$300 million. Now that's one expensive ass-et!

## Sorry Scott lets down fans

Loyal fans, The Lord would like to formally apologise for not fulfilling his scheduled club appearances in the United Kingdom.

Scott Disick is facing legal trouble for turning up late and drunk to a gig in Manchester, but he went on to cancel the rest of his PAs – and instead jetted to Paris to hang out with his family.

The 31-year-old tweeted, "Sorry to all my UK fans had to cut my UK trip short, love u and miss you already London. Can't wait to come back soon!" Uh-huh.

# Paul fancies Kris!

If things don't work out with toyboy Corey Gamble, Kris Jenner has a true blue Aussie bloke waiting in the wings. *Crocodile Dundee's* Paul Hogan, 75, is keen to date the Kardashian matriarch, with his manager revealing, "He told me that if anyone asks about his love life, to tell them truthfully that he wants to date Kris Jenner."

Sorry Hoagie, but since Kris, 59, is dating a 33-year-old, we're guessing you're a bit too mature for her liking...

I'll show that she's a real man!

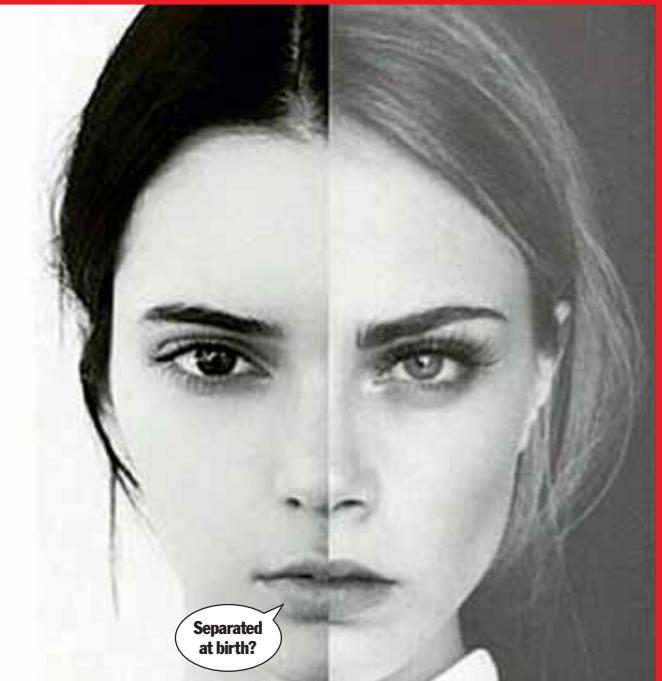

## Madge 'I'll show my ass when I'm 76!'

It's her bum and she'll flash it if she wants to! Madonna's never been one to cover up, and that's not going to change with age.

The 56-year-old, who gave onlookers a glimpse of her bottom at the Grammys, insists, "I'm in good shape. I can show my ass when I'm 56 or 66 or 76. Who's to say when I can show my ass? It's sexism. It's ageism."

Ooh, cheeky!

Separated at birth?

## That's Cara with a K

They made Cara Delevingne an honorary Kardashian by changing her name to 'Kara', but is the Brit model actually related to the famous klan? Erm, no, but her BFF Kendall Jenner sees some similarities between them. The 19-year-old model posted an Instagram pic showing half her face and half of 22-year-old Cara's, writing, "I knew we were sisters @caradelevingne #CaKe."

## K-Fed plays it one more time

Kevin Federline is still a Britney fan – in fact, she gets opening slot on his DJ sets! The former Mr Spears rolled out *Hit Me Baby One More Time* at an LA club last week, and has been talking about his "whirlwind" marriage to the 33-year-old. K-Fed, 36, who has sons Sean, nine, and Jayden, eight, with Brit, says, "It was a good time in my life. The way everything has turned out, everybody's happy. Co-parenting is going great."

K-Fed still loves a bit of Britney

We like it when Emma amps up her style with a rock-chick vibe, but this drab shift dress and ill-fitting, clashing shoes just don't do it for us. Stick to what you do best, Emma.

Top marks for this look, Florence! Pulling off a dusty pink Chanel trouser suit in her trademark, vintage way, the singer styles it to perfection to make the look her own.

The singer stepped away from her usual sugar-sweet, quirky style – and into this boring Givenchy dress. Proof that a front row seat at Paris Fashion Week doesn't always guarantee you style.

Laura plays it safe in this checked Baum Und Pferdgarten two-piece, which she's cleverly styled with red lips, shoes and a matching lips clutch. She never looks bad, but we've seen her in better!

The Capital FM radio host, who can count George Clooney among her exes, chats to us about body confidence, fad diets and why she doesn't own a set of scales...

**Hi Lisa! You're in fab shape. Are you body confident?**

If I've been working out I tend to feel better in myself. It's a psychological thing – it's good for your brain to be active and to work out.

**What is your fitness regime like at the moment?**

At the gym I do sets of squats and lunges. I also do Pilates, yoga, a bit of stretching and running, and I walk as much as I can too.

**Are there any parts of your body that you're particularly self-conscious about?**

I have to work a bit harder around the middle these days. The tummy area needs more work than it used to!

Working out is paying off!

BODY TALK! BODY TALK! BODY TALK! BODY TALK! BODY TALK! BODY TALK! BODY TALK!

● After weeks of hitting the gym hard and sticking to the low-carb Atkins diet, Kelly Brook is looking very toned indeed! She shared this snap post-workout, writing, "Gym

Done #Atkins #Fitness." ● Actress Eva Mendes is back in killer shape six months after giving birth,

and she says it's down to her regular routine of

running, hiking, yoga and light weight training. She says, "I don't love it, but I've made peace with that."

● Showing she's just like us, Katie Price tweeted last week, "KFC for lunch now feel bloated after my zinger burger, chips and

4 drumsticks." Yum!

● Chelsea's most active gym bunny Millie Mackintosh starts the morning with a spot of yoga. She posted this snap, writing, "Morning! #wheel #yoga #practice makes perfect."

Lisa makes sure she gets her five a day

**As a former model, do you think there's too much pressure on today's catwalk girls to be really thin?**

It's changing quite a bit – it seems to be more about being healthy than being skinny now. I put a certain amount of pressure on myself about taking pride in my appearance. You have to learn to love yourself rather than picking holes – that's boring and unhealthy.

**Would you ever consider cosmetic surgery?**

Never say never, but there are lots of lovely alternatives to being sliced up. If you look after your skin and exercise, then you do look better.

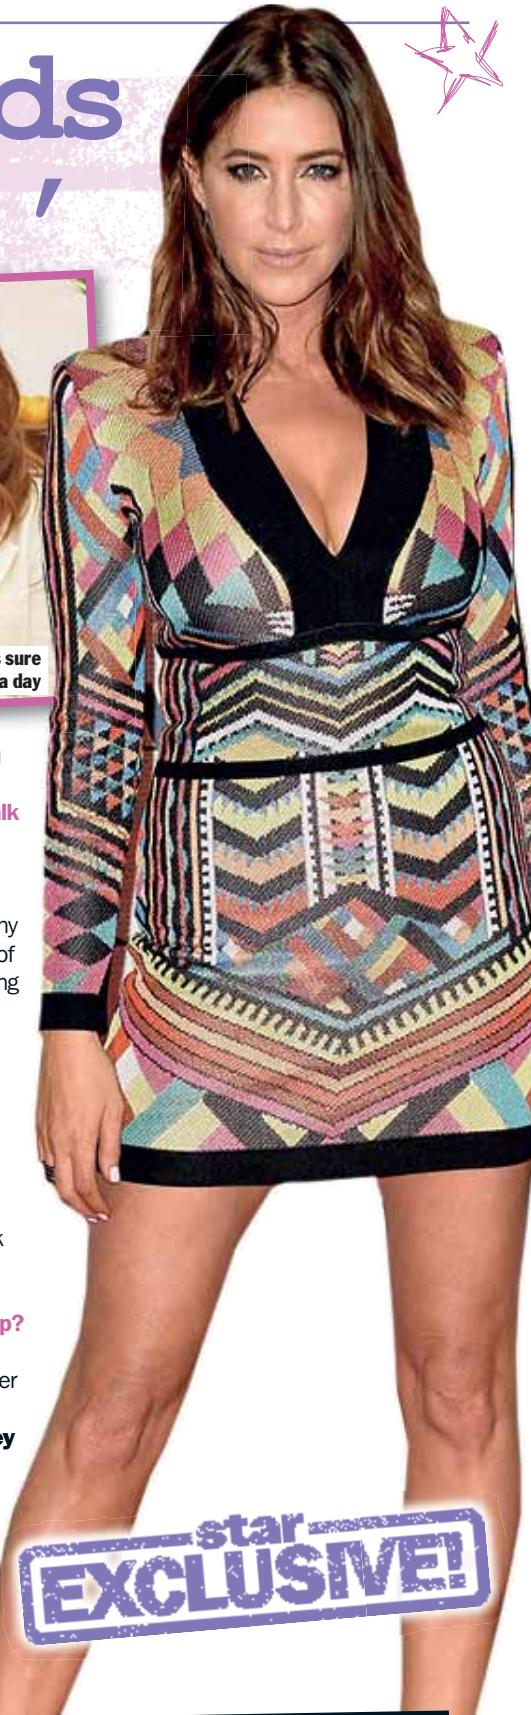

**What's your best beauty tip?**

Dry body brushing is great – and a little spray tan can cover a multitude of things! ■

# Mallorca

**UK spring still not warm enough? Venture abroad...**

Calvià is lined by beautiful beaches

**S**pring may be here, but it's still not sunbathing weather in the UK. So if you're craving some sunshine-filled days and warm beach nights, Mallorca is just a short flight away...

This Mediterranean gem is popular all year round thanks to its climate – at this time of year, temps can reach the low 20s.

Sunny Illetas, situated in the south-west of Mallorca, has a slower pace than nearby Magaluf. With remote coves and quieter beaches, it's perfect for relaxing and soaking up the sun.

Magaluf, on the other hand, is a party-goer's paradise. This touristy resort is where you'll find beach club after beach club.

Palma is the capital of the Balearic Islands and the largest city in Mallorca. It is filled with shops, cafés and museums, and is the place to go for anyone wanting to add a touch of culture to their beach break.

Mallorca also has plenty to offer more active holidaymakers – walking and cycling around the island are the best ways to appreciate its natural beauty.

## See the sights

The stunning coastline and beaches are a big drawcard of Mallorca. But while the temptation to simply sit and sunbathe your holiday away will be strong, make sure you take time to explore the island and all it has to offer.

There's so much to do, from visiting historical sights to exploring farmers' markets where you can snap up local delicacies.

One place well worth visiting is Olivar Market, a covered food market in Palma that showcases dazzling displays of flowers, buckets of olives, fish you never knew existed and an abundance of colourful fruit and vegetables.

If you want to experience the island in a different way, take a helicopter ride with Rotorflug ([rotorflug.com](http://rotorflug.com)) to get an unbelievable bird's eye view of the island.

## Where to stay

Sitting on the seafront at Palma Bay with stunning views of the water, Barceló Illetas Albatros is a beautiful spot to stay in Calvià.

Located in the quiet coastal area of Illetas, a short drive from Palma, this adults-only four-star hotel is a prime place for couples on an island getaway.

It's well-equipped for sun worshippers, with two outdoor pools, an abundance of sun loungers and an open-air hot tub. There's also direct access to a natural cove a few minutes' walk away from the hotel.

Eva's been to Nikki Beach

The Thalasso Spa & Wellness Centre is the place to head for some pampering – there are treatments galore, plus a Turkish bath, steam bath, pressure shower, relaxation area and massage rooms with gorgeous sea views.

There's more to do than just relax, though. Try yoga on the seafront, or the hotel can arrange a spot of sailing or scuba diving for you, as well as bike and kayak hire so you can explore the area.

You'll also be doing a lot of eating and drinking at Barceló, starting with bagging a table on the Urban Sky Terrace, which is perfect for watching the sunset while sipping on cava.

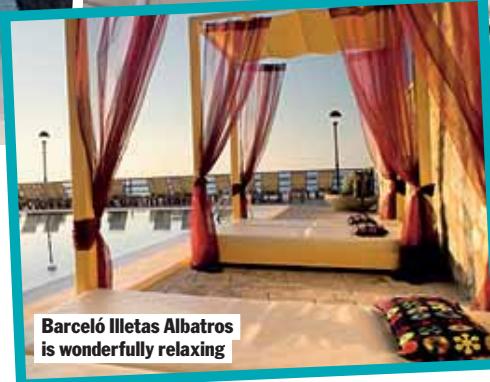

Elsewhere in the hotel, the Mediterraneo Buffet Restaurant offers typical delicious Spanish dishes, while the incredibly romantic Es Revellar Restaurant uses fresh ingredients from the local market.

Rooms start from £78 per double room per night on a B&B basis.

## Hit the clubs

Calvià is not party-central like Magaluf, but there's still plenty of choice when it comes to chic bars, restaurants and beach clubs.

Overlooking the water, Chi Lounge has its own private beach and is ideal for sitting back and enjoying a few cocktails. The food here is amazing, too – you must try the Thai and Chinese cuisine!

Cafe Del Mar, in the Sol Wave House hotel at Calvià Beach, plays chilled-out tunes and offers al fresco cocktails and a tasty Asian menu.

But Nikki Beach Mallorca is the place to see and be seen in Magaluf. The luxury beach club hosts some of the area's hottest parties, and is home to world-class DJs. By day, sunbathe on the beds with a glass of champagne, and by night, dance your heart out! ■

Your vital guide: what to listen to, watch and read

## FILM Insurgent (12A)

Stars: Shailene Woodley, Theo James, Kate Winslet, Naomi Watts

This sci-fi series, complete with evil government, downtrodden districts and arse-kicking teens, is so Hunger Games-y you expect Katniss to pop up brandishing a bow and arrow at any moment. But, though it doesn't feel totally fresh, it is very well done.

The second film picks up where Divergent left off, with Tris (Woodley)

and Four (James) on the run in the wake of an uprising in a crumbling Chicago. The story continues at breakneck pace as the elite Erudite faction's leader Jeanine (Winslet) does all she can to capture the pair.

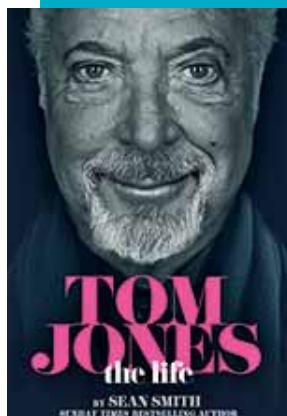

**Verdict:** Another adrenaline-fuelled instalment before the final two-parter (sound familiar?). ★★★★

## BOOK Sean Smith Tom Jones The Life

HarperCollins, £18.99

There's a new book out about Sir Tom Jones. Well, it's not unusual – there are more than ten to choose from. But this, by the super-scrupulous biographer of Cheryl, Tulisa, Britney and co., digs a little deeper – from his origins as humble club singer Tommy Woodward to amassing an estimated £145 million fortune, and a comeback on *The Voice*, with a suite at The Savoy thrown in!

Green green class. ★★★★

## SINGLE Ed Sheeran ft Rudimental Bloodstream

You'll have heard this dreamy song before if you're one of the 1.2 million Brits who bought Ed's X album. But in this rowdier new take, featuring electro-popsters Rudimental, the track gets handed a can of cider and an uplifting beat to become a real festival tune. Expect to hear it a lot this summer. ★★★

## ALBUM Tobias Jesso Jr Goon

If you're reading the name above and going, "Who?" prepare to be delighted. The Canadian singer-songwriter is a fave of Adele's – in fact, one of her two Twitter posts so far this year was to proclaim his song *How Could You Babe* "fantastic".

This debut album, penned after a painful break-up, is drenched with post-relationship tears, but the music is original and the lyrics spot on. Other highlights include the beautiful *Hollywood* and *Without You*. Enchanting stuff. ★★★★

## FILM Home (U)

Stars: Rihanna, Jim Parsons, Jennifer Lopez (voices)

Ri-Ri takes a turn in the voice-over booth to excellent effect in this new DreamWorks animation. She's Tip, a young girl who befriends the most incompetent member of alien race the Boov – "the best species at running away" – who are taking over earth. Teaming up with Oh (so called because of the sound the other ETs make whenever he shows up), they go on the run in a flying car with her pet cat, Pig. **Verdict:** While this is totally charming for children, there's not much new here for the grown-ups. ★★★

## FILM The Voices (15)

Stars: Ryan Reynolds, Gemma Arterton

Brace yourself, Ryan Reynolds fans. This isn't superhero Ryan or rom-com Ryan – this is serial killer with a spiteful talking cat Ryan. And he's terrifyingly brilliant as Jerry, a lonely factory worker on some pretty hardcore mind medication, whose fridge starts filling up with the severed heads of girls he's dated (an impressive Arterton among them). Comedy doesn't come much darker than this.

**Verdict:** You'll either adore this cult film or be demanding your money back to pay for all the counselling you're going to need. ★★★

# 'I get sent underwear by fans!'

**Danny O'Donoghue  
admits he gets plenty  
of female attention**

**T**he Script's Danny O'Donoghue has been a busy boy. Since quitting *The Voice*, he's been on a world tour with the chart-topping band and released a new album, *No Sound Without Silence*. There's no rest for the wicked, though, as the lads are on the road yet again.

We catch up with the 34-year-old to find out what mischief the boys have been up to, whether he'd ever go solo and why he doesn't miss being a *Voice* coach...

**Hi Danny! How are you and The Script boys?**

We're the best we've ever been. We have four go-karts backstage, so if anyone gets aggressive, we jump on the buggies and smash into one another. We've been knocking security over. It's hilarious!

**Do you get homesick when you're on tour?**

You always miss home wherever you are, but when you're on tour you're kicking ass, having fun and seeing amazing places.

**And there's a lot of attention from the female fans...**

Of course! You've got 16,000 people looking at you on stage. You can't get more attention than that!

**Do you ever get sent gifts?**

Fans send us everything from bras and knickers to vodka. If I need any boxer shorts or socks, I mention it in an interview and I'll have them the next day. Only joking!

**Who do you want to work with?**

A collaboration with Tinie Tempah would be awesome!

**Would you ever go solo?**

Danny O'Donoghue is not a solo star name – there's no ring to it. I couldn't imagine being a solo act. It's so f\*\*\*ing hard. You get

chewed up in this industry.

**Do you miss doing *The Voice*?**

Not really. I'm enjoying having my Saturday nights back.

**Are you glad you took part?**

Oh, 100 per cent. Within the first six shows, The Script had 700,000 followers on Twitter. But I want to be known as a musician, as opposed to Danny from *The Voice*.

**Have you kept in touch with the coaches?**

When my mum was ill, Jessie J was texting. She's such a sweetheart. When I'm in LA I hope to go to Tom's for a barbecue, but the person I have the most contact with is definitely Will.

**Why haven't any of the contestants made it big?**

I worked tirelessly with my contestants.

I wrote songs with Bo Bruce and Andrea Begley and got them in the top ten, but it's hard to forge a career. The longer *The Voice* continues without creating a star, the more people will question the show. This year's winner needs to be a success. ■

## ONES TO WATCH...

### Live Six Nations Rugby

From 12.10pm, BBC1

Rugby lovers will be in their element today with three games live on BBC1. That means you can sit back and watch more than four hours of pulsating action this afternoon. The final match of the 2015 Six Nations takes place at Twickenham, where Chris Robshaw's England host Thierry Dusautoir's France. A defeat to Ireland in their third game ended Stuart Lancaster's side's hopes of completing the Grand Slam but they will want to end the tournament on a high ahead of a home World Cup this autumn. First up, though, is Italy versus Wales in Rome. The Welsh boys are expected to extend

their winning run over Italy to eight games—but will they manage it? Sandwiched between the Wales and England clashes is Scotland versus Ireland. Led by the masterful Joe Schmidt, the Irish are looking ominously good ahead of the World Cup and should have too much for their hosts this afternoon. However, the Scottish rugby anoraks out there will rightly point out that back in 2013 Ireland lost 12-8 at Murrayfield and despite a dismal defeat to Italy last month, Vern Cotter's side could upset the odds. After today, there is no more Six Nations action for a year. ★★★★

# ONES TO WATCH...

## Mr Selfridge

9pm, ITV

Make the most of your favourite department store owner because after tonight there's just one episode left in the series. Nancy has kept her engagement to Harry a secret from Gus and doesn't wear her engagement ring around him – and she persuades Harry to keep it all secret for now. But later, Gus finds Nancy's ring at home and knows she's been lying to him. Desperate for money, he sells the pricey piece at a jewellery shop but is recognised on his way out by Princess Marie. Meanwhile, Harry remains under pressure to boost shareholder profits so he organises

the biggest flash sale London has ever seen. But piggybacking on the controversial press for the Selfridge announcement and angered by news that Mae is to remarry, Loxley manipulates the other board members into action. They demand an emergency meeting and Harry has no choice but to agree. What will it mean for his position? Elsewhere, while Grace and Gordon try to get back on track, Jacques makes a case to Violette as to why they could be a good match. And a surprise delivery from the Russian Embassy arrives at the Selfridge house. ★★★★☆

## Caribbean with Simon Reeve

8pm, BBC2

As well-travelled as Dr Brian Cox, Simon begins a new series of jaunts on the Caribbean island of Hispaniola, moving from the Dominican Republic to Haiti, the poorest country in the Western hemisphere, before reaching Puerto Rico. And from flying boats to drug busts, he takes a look at both sides of the Caribbean's most popular destination. ★★★★☆

## The Simpsons

6.30pm, Sky1

He's conquered the music world so now it's Pharrell Williams' turn to get cartoonized and join the Simpson clan. Pharrell – and his hat – make a guest appearance in tonight's episode but the locals aren't happy when he recites an infamous tune of his. Meanwhile, Homer is on a mission to find a fat people's rights group after he gets stuck in his seat. ★★★★☆

# ONES TO WATCH...

## Modern Family

8pm & 8.30pm, Sky1

Those pesky American programme-makers love to ruin the flow of a series by taking mid-season breaks. Just as we were enjoying another fantastic season of *Modern Family*, they whipped it off our screens leaving us with repeats. However, this week heralds the show's return with a double bill. And the Dunphys, Pritchettts and Tuckers are all on great form – that's if you ignore the fact that half of them are caught in a near-death experience in the first of tonight's episodes. While driving back from breakfast at the pancake house, the Dunphys – and Manny – have to

swerve out of the way of an oncoming truck. And it makes them question their own lives. Claire decides to be more fun while Haley and Alex make a pact not to fight any more – we can't see that lasting for long. Over-sensitive Manny is hesitant about getting in a car again and driver Phil decides he's not going to take any rubbish from anyone so he starts with reading nemesis Rob Riggle the riot act. All-out war, meanwhile, is declared in this week's second helping when a furious Claire confronts neighbours-from-hell Ronnie and Amber about the boat on their front lawn. ★★★★

## Girls

10pm, Sky Atlantic

It's the last episode of the fourth series but don't worry because a fifth season has already been given the green light. Woohoo! Tonight, Hannah, Jessa and Adam try to put unconventional parents-to-be Caroline and Laird off the idea of a home birth. Shoshanna, meanwhile, is offered a unique job opportunity and Ray lets rip at Desi. ★★★★

## Ordinary Lies

9pm, BBC1

Jason Manford was quite a revelation in last week's opener. We've been used to seeing him as a funnyman for years but as the lead actor in the main storyline, he was very convincing as an ordinary man who'd lost his way. While he'll appear throughout the rest of the series, tonight it's the turn of ex-*Coronation Street* star Michelle Keegan to take centre stage in her first role since quitting the cobbles. She plays party-loving Tracy Shawcross, JS Motors' receptionist who really wants a luxurious lifestyle of designer clothes and glamour. She's determined to escape her

boring life and thinks she has found the answer when she starts a relationship with local DJ, Jimmy. He offers her an all-expenses-paid trip to the Caribbean for her and fellow receptionist Viv and it looks like she's finally got the chance to up her lot. Lying so as not to arouse suspicion, Tracy and Viv tell everyone that they are flying to Ibiza for a week of partying. In reality, they board a plane to the Dominican Republic where flights and accommodation have been arranged by Jimmy. But they soon realise that there's more than meets the eye about the trip. ★★★★☆

## ONES TO WATCH...

### DCI Banks

9pm, ITV

We're already on the fourth episode of the series and Geoff is officially a marked man. So Banks plots to put him and his daughter Evie under watch at a hotel while the hunt for gunman Mullen intensifies. Meanwhile, Annie and Ken think outside the box and find an address for Mullen's ex-girlfriend, but he has just left when Banks turns up at her door. What he's doing is following Evie's boyfriend to the hotel and when he sets the fire alarm, Annie, Geoff and Evie are forced to evacuate their room. A local loan shark is thought to be behind the hit, so Banks arrests him and

manages to find a way to keep him temporarily behind bars. That gives the team time to use CCTV and forensics to track Mullen down to a former match factory and the chase is on when they locate him. He finds himself cornered at a viaduct and Banks manages to talk him into giving up the gun and turning himself in. It's not over yet, though, because Banks learns Raheel met Marcus during Lewis Hargreaves' trial and when questioned, Raheel confesses all he knows to the police. And away from the investigation, Annie admits David wants her to move in. ★★★★☆

## Banished

9pm, BBC2

Episode four of this bleak but enthralling seven-part series opens with James Freeman having vanished deep into the dense Australian Bush. No man has ever been known to survive in such a harsh environment and Sergeant Timmins decides following him is pointless and way too dangerous for his men. But when, back at camp, Major Ross questions Timmins about the escapee, his sergeant is reluctant to tell the complete truth. Meanwhile, word among the prisoners is that James is a dead man and that he's either shot by the soldiers or probably died in

the harsh terrain. Elsewhere, Reverend Johnson confronts Major Ross about the misery his sexual demands are causing young Kitty. So they reach a compromise which helps Kitty's life become more bearable. But Corporal McDonald – who loves Kitty – is worried about these new developments. Meanwhile, when Stubbins gives Captain Collins his wife's letter to read, he has a decision to make – either tell him what the letter says and break his heart or lie to him. At the end of the episode, against the odds, James staggers half-dead back into camp. ★★★★☆

### The Musketeers

9pm, BBC1

Our Friday nights are going to seem a little less exciting without our swashbuckling chums. That's because, for now at least, it's the end of the line for the Musketeers. But unlike *Atlantis*, which was suddenly pulled mid-series by those cruel folk at the BBC then axed and as yet has no return date for the remaining episodes, it is good news for Porthos, Athos, Aramis and d'Artagnan. It has been confirmed that this old-fashioned swords-and-horses romp has been recommissioned for a third series which goes into production later this year. And it's been quite a

series, hasn't it? With some amazing twists. So for tonight's finale, while Porthos attempts to lure the Spanish spy-master to Paris to prove Rochefort's betrayal to the King, Athos and d'Artagnan must save Constance from certain death. However, will they be able to protect Aramis and the Queen before Rochefort gets to them first? Now that he is First Minister and the King is relying on him for most things, he's becoming more powerful but also more reckless by the day. So the fate of France and their closest pals lies in the Musketeers' gloved hands. ★★★★☆

## The Blue singer, 31, on hunting unicorns, crying at soppy films and partying with Prince Harry...

### What's your most treasured possession?

My guitar. It's like an old trusted friend. We've had many an adventure together and we've seen the world. I always feel gutted when I realise it's only a guitar. I sometimes wonder what it would say if it could talk.

### What was your Plan B?

To become a full-time screenwriter. I've written lots of scripts – from horrors to Shakespearian love stories – and they're all pretty good.

### When did you last cry?

On Valentine's Day. I was in my sweatpants, eating ice cream, sitting on my own watching a mushy love film. I'm an emotional soul.

### Have you ever been starstruck?

Always. I love the musician James Bay at the moment and if I met him I'd probably get really emotional, hug him and tell him that his songs are like delicate flowers.

### Who's the rudest celeb you've met?

I've forgotten their name, which is unfortunate because I'd have loved to have named and shamed them here. I don't have time for rude people. Nobody is better than anybody else in this world.

### Have you ever said, "Do you know who I am?"

Never. Sometimes the celebrity world baffles me. I don't really get much out of people knowing who I am, anyway – just abuse!

### What's on your bucket list?

I actually ticked something off my bucket list a few weeks ago when I walked the

Inca Trail in Peru, which was amazing. Other than that, I'd love to go searching for unicorns and party with the royal family. I reckon Harry and I would get on brilliantly. Some say that we look alike – two stud muffins together!

### Do you have any secret talents?

I can talk to animals – move over Dr Dolittle!

### Do you Google yourself?

Absolutely not. I leave that to my publicist, and the look on her face when she does it means I avoid it at all costs!

### When were you at your happiest?

When my two children were born. My little boy is so creative. We play monsters and superheroes together all the time. I'm the luckiest father in the world.

### Where is your favourite place on earth?

Anywhere that my children are. I'm happiest and most content when I'm in their company.

### What annoys you?

Bad breath and stuck-up celebrities – not cool.

### What's your favourite film?

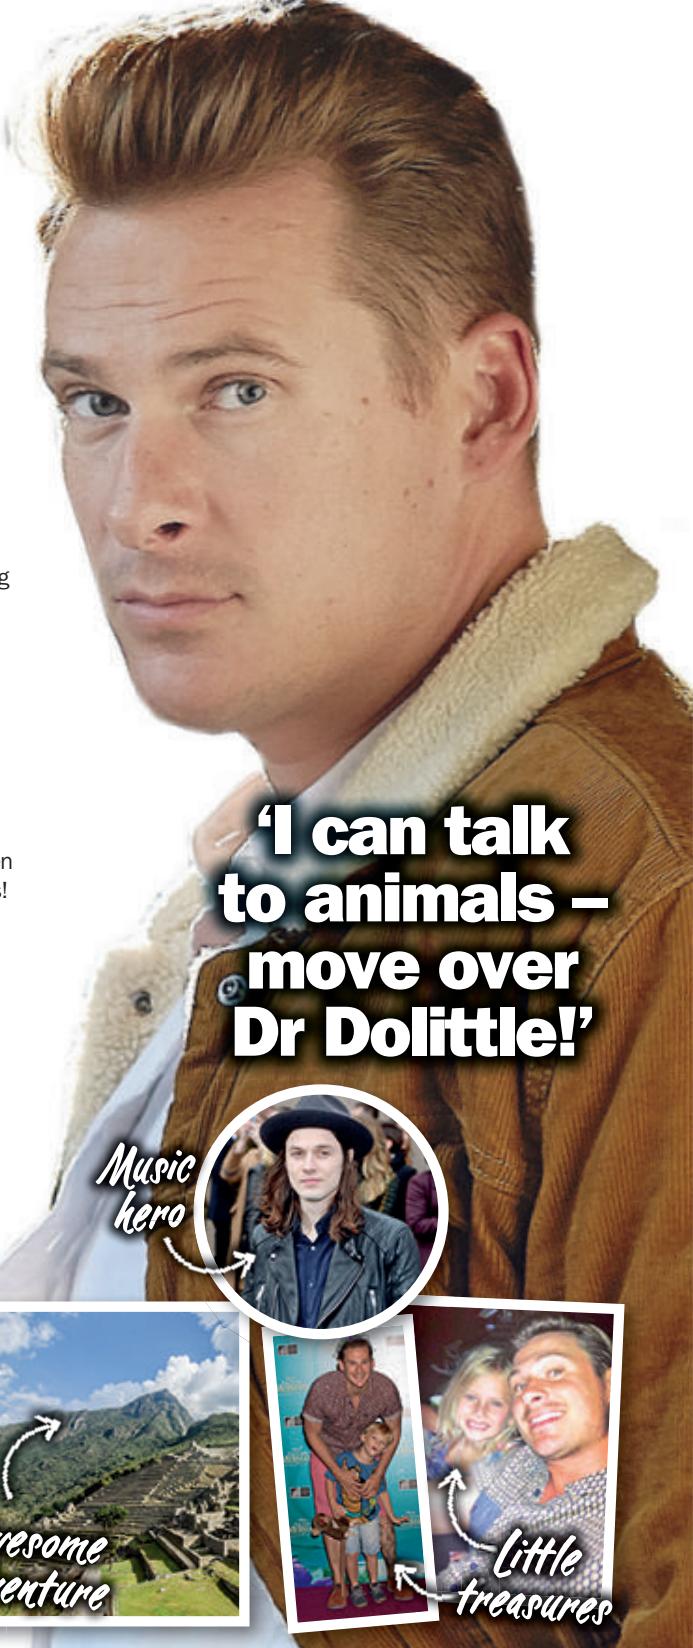

It's yet to be released, but it'll be one by that amazing director Lee Ryan – have you heard of him?
